## BRICK FUNDRAISER

FUNDS RAISED WILL SUPPORT FIELD IMPROVEMENTS AT WESTMONT DIAMOND

*...leave your legacy...  
on the new  
"Home of the Warriors"*

Great things are happening for Westmont Baseball in 2008! This season we are planning to install a permanent fence, a new Score Booth/Snack Shack and a new pedestrian pathway from Westmont Avenue to the baseball field. We invite you to leave a lasting legacy for yourself and other baseball alumni as a part of our field improvement plans.

The new walkway, known as "Warrior Way," will take players and fans right past the new flagpole installed last year in honor of Deputy Jeff Mitchell. In an effort to beautify Jeff's memorial, and to create a lasting tribute to all Warrior baseball players and coaches -- past and present -- we will be installing engraved bricks around the memorial in the shape of a home plate -- the "Home of the Warriors!"

The baseball program will be placing bricks on the perimeter of home plate to honor past Championship teams, League M.V.P.'s and Warriors who went on to play Major League Baseball. It is our intention to include engraved bricks on the inside of home plate with only the names and messages of baseball players and coaches from Westmont High School...and that is where we need your help. There are just over 220 spaces available -- and we need a minimum of 51 bricks ordered by December 31 to complete the walkway in time for our home opener on February 20.

On behalf of the Warrior Baseball program, we would like to thank you in advance for your consideration. We hope that you will choose to step-up to the plate one more time for Westmont Baseball!
